

## **PRIVACY STATEMENT**

The Global Safety Innovation Summit Pty Ltd complies with the Privacy Act 1988 (Cth) (Act) and the Australian Privacy Principles (APP's). Such legislation is designed to protect the right of the individual to privacy of their information.

Information collected in respect of proposed participation in any aspect of the Summit will only be used for the purposes of planning and conduct of the Summit and may also be provided to the organising body (Global Safety Innovation Pty Ltd) for future associated events.

A 'Delegate List' of attendees may also be produced at the Summit and includes the individual's details in such a list (name/organisation/state/country). Consent for publication of the individual's information may be withheld when completing the registration form for the Conference.

### **Logistical third party suppliers**

Participant's data may be shared with other logistical organisations and third parties in order to deliver the event. Only data relevant to their specific role will be made available to them.

### **Security & Storage of personal data**

- We store personal information electronically, and have secure recordkeeping systems. We take all reasonable steps to protect personal information from unauthorised use, access, disclosure and alteration.
- IT protection systems and internal procedures are also utilised to protect the personal information held by us.
- We may store electronic information on remote servers or in the cloud directly or through contracted agencies (such as EventsAir) – all information is securely stored in Australia with backups securely stored in the United States of America and encrypted before transfer back to Australia).
- We use Secure Socket Layer (SSL) certificates, which are the industry standard, for encrypting personal information collected via the event website.

- We do not store credit or debit card information. We use a third party provider, which provides a secure online payment gateway solution for credit card and direct debit processing of event payments.
- Personal data is maintained under strict security and is only to be accessed internally by associated staff who require access as part of their role or to complete a task.

### **The right to withdraw consent**

You retain the right to withdraw consent to use your personal data at any time.

Please be aware that a withdrawal of consent before the start of this event will incur a full event cancellation and cancellation fees as noted in your initial registration. Please contact us at [summit@safetyinnovation.org](mailto:summit@safetyinnovation.org) with any inquiries you may have.
